

Naqa Tamimi

Address: Baghdad, Iraq.

Tel: +964 770 364 7626

E-mail: Nmahdi@uowasit.edu.iq

Nationality: Iraqi

DVSc/PhD: Feb. 2014. Small Animal Internal Diseases

Faculty of Veterinary Medicine, University of Tehran, Tehran, Iran.

GPA: 89.6%

Thesis: “Frequency of *Salmonella* Enterica I & II shedding in captive reptiles referred to the specialized veterinary clinics in Tehran and the presence of virulence factors *spv R* and *spv B* in the isolates using PCR”

DVM: Sep. 2007. Veterinary Medicine

School of Veterinary Medicine, University of Tehran, Tehran, Iran.

GPA: 87.2%

Thesis: “A sero-epidemiological study of Leptospirosis in shepherd dogs in Tehran suburbs of Iran”

Research interests:

- Canine & Feline behavioral and medical problems
- Exotic animals behavior & medicine
- Animals care and welfare
- Working dogs behavior and medicine

Language skills:

Arabic, Persian, English (TOEFL IBT 98, March 2009)

11. 7th convention of Iranian Veterinary Clinicians; “Clinical reports of three guinea pigs infested with *Gliricola porcelli*”; Rostami A., **Tamimi N.**, Arabkhazayley F., Nabian S. Jan 2012. Tehran; Iran. Proceedings: 208.

Seminars:

- “Aggression in dogs”, University of Tehran, school of veterinary medicine (2007)
- “Herbal medicine in small animals”, University of Tehran, small animal hospital (2009)
- “Fear & anxiety problems in dogs”, University of Tehran, small animal hospital (2010)
- “Exotic pet behavior (rabbit, guinea pig & iguana)”, University of Tehran, small animal hospital (2011)
- “Behavioral problems in animals”, College of Veterinary Medicine, University of Wasit.
- “Dental problems in animals” College of Veterinary Medicine, University of Wasit.
- “How animals are affected by Corona virus Pandemic”, College of Veterinary Medicine, University of Wasit (online- 2021).
- “Heat stroke in animals”, College of Veterinary Medicine, University of Wasit (online-2021).
-

Workshop attendances:

- 1- Training for procedures of registration and voting/Out of country administration unit (2014), Istanbul, Turkey.
- 2- Wound management and surgical emergencies of in small animals (2013), University of Tehran, Tehran, Iran.
- 3- Introduction to PCR principles, flaw finding and primer design (2011), University of Tehran, Tehran, Iran.
- 4- Principles of Echocardiography in small animals (2011), University of Tehran, Tehran, Iran.

- 5- The 1st companion avian medicine workshop (2011), Azad University of Garmsar, Garmsar, Iran.

Work experience:

- 1- Small animal private practice, Baghdad, 2014-2017. 2021-NOW.
- 2- Small animal hospital, Faculty of veterinary medicine, University of Tehran, 2009-2013.
- 3- The independent high electoral commission, Out of country voting administration unit, Iran office; Election of 2014 (awarded appreciation certificate).
- 4- Dorsa Private veterinary clinic, 2009-2010.
- 5- Vaccination of goat and sheep farms and shepherd dogs, 2007

Activities: Worked as a volunteer veterinarian in Vafa animal shelter in 2009.
